

Playgrounds

BY SUPERIOR RECREATIONAL PRODUCTS

Let's go outside to play!

Childhood is about exploring the world, challenging growing muscles, and using imagination in new ways. It's proven that children need unstructured play to grow and develop into happy, healthy, and well-adjusted people.

Are you ready? Let's go play!

Reimagining *how children play*

You want choices. We've got them, along with the design expertise to take your ideas and make them real. Whether you want long lasting steel, recycled materials that stand up to harsh salt air, an elaborate theme, or something entirely different, let's combine your imagination with our expertise and together we can reimagine the way children play.

ADVENTURE SERIES

Budget-friendly with a full dose of excitement. This series offers design flexibility to meet small space requirements, features integrated shade options, and uses no clamps or collars.

POST DIAMETER	DECK SIZE	DECK HEIGHT	AGES
3.5"	36"/46.5"	Up to 8'	6 mo.-12 yrs.

EXPEDITION SERIES

With its sturdy design and C-line connection, the 5" post and deck system is easy to install, offers the most design flexibility, and is ideal for inclusive play designs.

POST DIAMETER	DECK SIZE	DECK HEIGHT	AGES
5"	48"	Up to 8'	2-12 yrs.

RECYCLED SERIES

Our recycled playgrounds are an ideal option for natural play or coastal environments. The decks, posts, and barriers utilize 100% recycled content.

POST SIZE	DECK SIZE	DECK HEIGHT	AGES
6"	42"	Up to 8'	6 mo.-12 yrs.

THEMED SERIES

There's no limit when designing a themed playground. Our talented team of skilled professionals can bring your ideas to life utilizing our Expedition or Recycled Series as the base.

POST SIZE	DECK SIZE	DECK HEIGHT	AGES
5" & 6"	42" & 48"	Up to 8'	6 mo.-12 yrs.

Supporting *inclusive play*

The benefits of bringing your community together with an **inclusive playground** are immeasurable. Inclusive play environments provide unique opportunities for individuals of all ages and abilities to engage in their right to play. Outdoor play environments that break down both physical barriers to access and social barriers to participation can unite communities in meaningful ways!

.....

POINTS TO CONSIDER

Access Points

Provide multiple opportunities for individuals to independently access play and engage in intuitive play patterns

Integration

Include play events that children of all abilities can access throughout the play environment in order to encourage inclusion among all children

Variety

Offer a balance of play activities that support the physical, social-emotional, sensory, cognitive, and communicative needs of all children

Building Your *environment*

With our customer-focused industry expertise, we help communities create complete outdoor recreational environments that cultivate community and enrich lives. Discover how easy it is to furnish your next recreational space by utilizing all of our product lines. Come on, let's play, relax, and live!

New, On-Trend *products for 2019*

We're bringing you new products that take climbing, spinning, and inclusiveness to the next level, while bringing a shaded playground game like no other.

New Ways to Keep Cool *Modern shades and roof styles.*

Sleek and slim lines define our new modular shades and roof styles. These trendy new designs will help keep your playground feeling and looking cool.

[Learn more on page 148.](#)

Delta & Tetra Climbers

Climbing to new heights.

Our versatile hexagon Tetra and triangle Delta Climbers are available in deck-to-deck and deck-to-ground configurations. Climb to new heights by designing your own configuration in your playground design.

View more designs starting on page 130.

Delta Arch Climber

Rockin' Glide

An inclusive gliding component.

Children of all abilities can gently glide as they work together to shift their weight or push the outside to sway back and forth on this playground structure glider.

Learn more on page 133.

DaisyDash™
Play that gets you moving.

Play against the clock in this head-spinning, electronic playground game that gets you moving. Touch each daisy-shaped sensor as it lights up to see how many lights you can touch before the clock runs out.

[Learn more on page 119.](#)

Twister Spinners
Climbers and spinners in one.

Our new spinners combine the thrill of net climbing with the excitement of spinning for children ages 5-12. Multiple children can climb to the top and spin 360° in these four new designs.

[Learn more on page 108.](#)

Themed Play Structures

the magic of imagination

There's no limit when creating a one-of-a-kind playground. With the right space and budget, our team of creative designers can bring your ideas to life.

Panel & Plastic Play Structures

age-appropriate fun for children aged 6-23 months

Our panel-based and plastic structures are the ideal choice for your littlest users. They offer age-appropriate challenges in creative, compact forms. You'll love the uniqueness of these activity-driven structures.

- 90** Tot-Trek
- 92** Adventures in Growing™
- 94** Play Center & Gazebo
- 95** Infant Exploratoriums™
- 96** Discovery Centers

Structures Modular Tot-Trek
endless configurations

Start with the Tot-Trek base unit and add on different play components based on your area's size and your budget. While you can design your own, check out three sample structures to the right. Available in a primary or natural color scheme.

Phase One \$4,215

Structure	Ages	Capacity	Structure Size	Includes
TFR0520XX	6-23 Month	5	8' x 6'	Stairs, Slide, Bubble Window, Texture Panel, and Climber

Phase Two \$8,085

Structure	Ages	Capacity	Structure Size	Includes
TFR0533XX	6-23 Month	10	12' x 8'	Phase One + Bridge, Climber, Stairs, and Activity Panels

Phase Three \$12,327

Structure	Ages	Capacity	Structure Size	Includes
TFR0518XX	6-23 Month	15	14' x 15'	Phase Two + Crawl Tube, Slide, and Activity Panels

Structures Adventures in Growing™
educational and interactive

These panel-based units for children ages 6-23 months allow for exploration of texture, shapes, sound, and more! Available in a primary or natural color scheme.

AIG010 \$5,225

- Age Group:** 6-23 Months
Capacity: 6
Structure Size: 11' x 2 ½'

 - Sound Cylinder and Bead Panel

Mushroom Tunnel

Toddler Step Deck

Step Activity Center

Infant Play Center

Infant Gazebo

Structures Step Climbers, Play Center, and Gazebo

Toddlers change so fast. While some may be ready to climb, others are not. Along with our 6-23 month structures, we provide these additional smaller toddler activities to meet a variety of developmental stages.

Mushroom Tunnel \$3,859
The Mushroom Tunnel provides pre-toddlers and toddlers with a safe structure to climb on and crawl under. It is designed to promote gross motor skills, balance skills, and social play.
Model: 49212FT
Size: 4 ½" x 2 ½" x 2'
Ages: 6-23 Months, 2-5 Years

Toddler Step Deck \$3,122
The Toddler Step Deck allows pre-toddlers and toddlers to practice crawling and climbing.
Model: 49211FT
Size: 6' x 2 ½' x 3'
Ages: 6-23 Months, 2-5 Years

Step Activity Center \$4,030
Pre-toddlers and toddlers can climb the Step Activity Center to access fun activities like our Sound Cylinder, Bead Panel, Shape Spinners, and Mirror Panel.
Model: 49216
Size: 6' x 2 ½' x 3'
Ages: 6-23 Months, 2-5 Years

Infant Play Center \$13,001
This play center is equipped with various play panels that allow children to explore textures, shapes, movement, and sound. Our cruising rails give infants who are learning to walk added support as they cruise alongside the center. It is recommend that this unit be installed on unitary surfacing such as non-infill turf, Poured-in-Place, or rubber tiles.
Model: SS127-IT
Size: 12' x 8'
Use Zone: 26' x 20'
Ages: 6-23 Months

Infant Gazebo \$13,549
This contained space features our bubble, bead, mirror, shape spinner, and sound cylinder panels. Additionally, it includes our slide-in gate giving the option of allowing the children to explore outside the gazebo.
Model: 48102
Size: 8' x 8'
Ages: 6-23 Months

Structures Infant Exploratoriums™

PS3-70228 \$7,979

Playground Shade

Bleacher Shade

Table Shade

Picnic Shelter

Complete Your Space Shade & Shelter

Our fabric shade and all-steel structures come in a variety of sizes and styles. Our fabric structures are available with or without our unique Glide Elbow™ fabric release mechanism.

Playground Shade

We have over 30 rectangle and square shades specifically designed for your play structure (and hundreds more available for other uses, too!). These designs are available in a variety of colors to match any play environment and are a great economical choice. To keep children safe, follow these guidelines when choosing a shade for your play structure:

- 6’ min. clearance from shade columns to play structure
- 7’ min. clearance from play surface to shade fabric
- 3’ min. clearance from top of play structure to shade fabric

Bleacher Shade

We have a variety of cantilever options suitable for shading the bleacher unit at your sports field. Additionally, these design make for perfect car parking shades.

Standard Cantilever Shade

18’ x 20’, 18’ x 27’, 18’ x 36’
Surface or In-Ground Mount
8’, 10’, or 12’ Height
With or Without Glide Elbow™

Table Shade

Our umbrella shades are ideal for shading picnic areas, benches, and small play areas, such as a music area. Umbrellas are a simple shade solution but they make great visual impact.

Single Post Umbrella Shade

Square, Hexagon, and Octagon Shapes
Surface or In-Ground Mount
8’, 10’, or 12’ Height
With or Without Glide Elbow™

Picnic Shelter

We offer a full line of all-steel shelters that are suitable for picnic areas, bench seating, outdoor performance space, and even bleachers. Have something in mind? Ask your representative for our complete catalog.

WE HAVE MANY MORE
styles to choose from!

Buddy Bench

Standard Bench

Uptown Amenities

Bleachers

Complete Your Space Site Amenities

We offer durable and affordable benches, tables, and trash receptacles. With over 500 products in different frame styles, metal patterns, and color choices, you can easily achieve a distinctive look for your space.

Buddy Bench

The Buddy Bench encourages inclusion on the playground. When a child sits down on a Buddy Bench, it is a sign that they are in need of a friend on the playground. Our Buddy Bench is available in five standard designs and utilizes three base bench styles.

All Smiles Buddy Bench (Pictured)

Model: B6WBPERFP-ALLSMILES
Length: 6’
Mounting: Portable

Standard Bench

We have a variety of standard bench options that are available in different metal planking styles and mounting options. Our standard benches are available in portable, surface, and in-ground options. These benches are a great addition to parks, playgrounds, sport fields, schools, and child cares.

Standard Regal Bench (Pictured)

Model: B8WBRCS
Length: 8’
Mounting: In-Ground

Uptown Amenities

We offer over 50 modern site amenities that include tables, benches, and trash receptables. These premium amenities include stylish designs that are suitable for housing communities, city parks, and shopping complexes.

Zion Bench (Pictured)

Model: B6WBZI
Length: 6’
Mounting: Portable/Surface Mount

Bleachers

We offer a full line of all-aluminum bleachers that are suitable for both indoor and outdoor use. Have something in mind? Ask your representative for our complete catalog.

Half	TCF0077XX	60" x 43"	6 Stakes, 2 End Caps	\$671

We Use Quality playground materials

At Superior, we only use quality playground materials. Our playgrounds are proudly made in the USA and are built to last. Whether you are purchasing a climber or a full structure, we guarantee fun for years to come.

.....

1

Our rotationally-molded plastics have anti-static inhibitors.

Our rotationally-molded plastics, such as those used for slides and tubes, are made of $\frac{3}{8}$ " thick low density polyethylene (LDPE). They are UV stabilized for reduced fading and also contain anti-static inhibitors.

2

Our textured HDPE panels are strong and UV stabilized.

Our $\frac{3}{4}$ " thick textured high density polyethylene is used for products such as our activity panels. With UV stabilization, we ensure your carefully selected color will remain bright and colorful for years to come. These panels are stain and graffiti resistant and will not splinter or crack.

3

Our Superdurable powder coat leaves your structure protected.

Our steel components are primed at the welded areas and coated with 3-5 mils of Superdurable powder coat to protect your playground from fading and rust. Additional extra-protection coating options for regions, such as coastal, are available.

P.S. Our post caps aren't just pretty.

From easy in-field installation to a unique two-color look, our aluminum alloy post caps offer many great benefits. Our super-tough post cap design allows for less water access, making our posts more durable in the field. Once installed the post caps can't be removed, stopping unwanted vandalism.

4

Our modular shades block harmful UV rays.

Our shade fabric blocks 91%-99% of harmful UV rays, depending upon the color you've chosen. Our fabric is also flame retardant, with some of our color choices being California Fire Marshal certified.

5

Our steel decks and stairs are among the thickest in the industry.

Our steel decks are formed from 12-gauge hot-rolled steel body — among the thickest in the industry — and are coated with UV stabilized PVC for a softer play surface. They're also sprayed with a PVC textured coating that increases foot traction, are perforated for drainage, and are lead-free.

6

We offer stainless steel hardware, so you won't worry about rust.

99% percent of the hardware we use is stainless steel, with less than 1% being corrosion-resistant coated steel. Our hardware is packaged individually and labeled, allowing for more efficient installation.

We Make It Easy to buy and bid

Superior makes it easy to buy and bid by having a nationwide team of SRP Certified Partners and by having contracts with the following organizations.

.....

State-Specific Opportunities

The NASPO ValuePoint Cooperative Purchasing Organization is available to all public agencies, institutes of higher education, political subdivisions, and, in some cases, non-profit organizations in states who have obtained a NASPO ValuePoint Participating Addendum. Currently, we have partnered with the following states under NASPO ValuePoint Master Agreement No.: 6482.

- Montana
- North Dakota
- Oregon
- South Carolina
- Kansas
- New Mexico
- South Dakota
- Utah
- Washington
- Virginia
- New York

For Government Entities

BuyBoard is an online purchasing cooperative that gives its members best pricing on products, equipment, and services that they use every day. Members save time and resources because the competitive procurement process has already been completed. BuyBoard's nationwide members include those in public schools, municipalities, county government, and all types of local government agencies and non-profits.

HGACBuy is a cooperative purchasing network available to local governments, state agencies, and certain non-profit corporations nationwide. All products offered by HGACBuy have been awarded through a public competitive process. To become a member of HGACBuy and to view products like ours, visit hgacbuy.org.

For Businesses

Marlin Equipment Finance is a direct lender providing financing to small and mid-size businesses so they can acquire new equipment and technology while preserving capital. Their customers include equipment dealers, manufacturers, distributors, and small business establishments.

GSA Advantage!® is an online cooperative purchasing program that provides access to thousands of products and services. State and local government entities can take advantage of this buying power to get you the best value and price.

For Everyone

Our Certified Partners have extensive knowledge and training in all Superior products. Find your closest representative by visiting srplayground.com and clicking "Contact a Rep."

We Meet or Exceed industry standards

In our effort to provide quality and safe play products for children, our products meet or exceed the standards set forth by the below organizations. Additionally, we follow our own strict in-house standards and guidelines.

.....

International Play Equipment Manufacturers Association™

In the interest of playground safety, the International Play Equipment Manufacturers Association (IPEMA™) provides a third-party certification service whereby a designated independent laboratory, TÜV SÜD America Inc., (TÜV), validates an equipment manufacturer's certification of conformance to the standards below.

- ASTM F1487-11, excluding sections 7.1.1, 10 and 12.6.1: Standard Consumer Safety Performance Specification for Playground Equipment for Public Use
- CAN/CSA-Z614-14, excluding clauses 9.8, 10, and 11: Children's Playspaces and Equipment

A list of current validated products may be viewed on their website at www.ipema.org. SRP is a member of this organization.

American Society for Testing and Materials

The American Society for Testing and Materials (ASTM) is an independent and world renowned developer of technical standards utilized in testing a multitude of products. ASTM developed F1487 Standard Consumer Safety Performance Specifications for Playground Equipment for Public Use. The current standard is F1487-11, published in 2011.

U.S. Consumer Product Safety Commission

The U.S. Consumer Product Safety Commission (CPSC) presents safety guidelines through the publication of their Public Playground Safety Handbook. This handbook promotes greater safety awareness among those who purchase, install, and maintain public playground equipment. The handbook can be viewed on the CPSC's website, cpsc.gov.

United States Access Board

The U.S. Access Board is a federal agency that promotes equality for people with disabilities. They've developed guidelines and standards for built environments, such as playgrounds.

ISO 9001 and ISO 14001

ISO industry certification processes are issued by International Organization for Standardization. ISO 9001 is used to measure manufacturing standards and to certify company compliance with quality management systems covering design, development, production, installation, inspection, and testing. ISO 4001, also known as the "Green Certification," specifies the requirements of an organization having an environmental management system (EMS). SRP's steel playground line is manufactured in an ISO 9001 and ISO 14001 certified facility.

PCI 4000

Certification by the Powder Coating Institute recognizes competency and processes in place to consistently produce high-quality powder coated products. PCI certification is the result of an extensive and rigorous audit process and SRP's steel playground manufacturing facility has this certification.

In-House Standards

At Superior, we only use quality playground materials. Our playgrounds are proudly made in the USA and are built to last.

To ensure the safest play for your children, we offer:

- Quality control inspection on all parts and shipments
- All products must pass inspection in our IPEMA Certified In-House Testing Facility
- In-house production of most products
- All products meet or exceed CPSC, ASTM, and ADA Safety Guidelines
- On-staff CPSI certified employees
- Local field factory trained installation technicians
- Direct connect component attachment system
- Products constructed from Allied's heavy-wall galvanized steel tubing, which is protected by Allied's patented Flo-Coat® process that uses triple-coat corrosion protection (zinc, conversion coating, and clear organic topcoat) to provide a smooth, shiny product appearance that is unmatched in terms of strength and durability

MADE IN THE USA

Our Leading warranty

Our warranty guarantees years of unlimited fun. **View our full warranty by visiting us online at srpplayground.com/warranty.**

.....

Superior Recreational Products (SRP) warrants that its product will be free from defects in materials and workmanship as well as maintain structural integrity for the periods listed below from the date of invoice and once SRP has been paid in full. This warranty is in effect only if the product has been assembled and installed strictly in accordance with the setup instructions provided by SRP, good construction practices, and has been subjected only to normal use and exposure.

- | | |
|--|---|
| • Lifetime* Warranty on playground steel and recycled posts, all stainless steel hardware, c-line fittings, and aluminum post caps | • 10-Year Limited Warranty on Shelter structures and shade fabric |
| • 20-Year Limited Warranty on steel Shade structures | • 5-Year Limited Warranty on powder coat, cables, and nets |
| • 15-Year Limited Warranty on playground pipes, rungs, loops and rails, roto-molded plastics, HDPE plastic sheets, punched steel decks, and recycled decks | • 3-Year Limited Warranty on electronic play |
| | • 1-Year Limited warranty on moving parts and materials not covered above |

Limited Warranty: Structural Steel

SRP offers a "Lifetime Limited Warranty on structural steel frames against failure due to rust-through corrosion under normal environmental conditions. Should the parts need to be replaced under the warranty, SRP will manufacture and ship new replacement parts at no charge for the first ten years, thereafter pro-rated at 50% for the second ten years and 25% from there on. Workmanship is warranted for a period of five years. This steel warranty shall be void if damage to the steel is caused by the installer or from physical damage, damage by salt spray or sprinkler systems, contact with chemicals, chlorine, pollution, misuse, vandalism, or any act of God.

Limited Warranty: Powder Coat

Superior Recreational Products offers a 5-year Limited Warranty for powder coating to the original purchaser. This Limited Warranty is for factory applied finish only. Damage occurring from shipping, erection, vandalism, accidents, or field modification is not covered in this limited warranty and will require field touch-up immediately and periodically thereafter. The owner must report any defect in powder coat at the time the installation is completed. Not covered by this Limited Warranty are acute angles, welds, and end plates.

The Limited Warranty for powder coating provides the following after a 5-year exposure period when applied according to the recommendations listed on the product's technical data sheet and appropriate surface preparation has been utilized.

- The coatings shall retain their original color with a ΔE of <7.5 units for high chroma colors (yellows, reds, oranges, etc.) and a ΔE of<5.0 units for low chroma colors, when tested in accordance with ASTM D 2244.
- The coating shall retain a minimum of 50% of its original gloss level after washing, when tested in accordance with ASTM D 523.
- The coating shall exhibit chalking no worse than numerical rating of 6, when evaluated in accordance with ASTM D 659-80.

Stainless Steel Series Powered by Playdale Playgrounds

Playdale Playgrounds warrants its products to the original customer to be free from structural failure due to defect in materials or workmanship during normal use and installation in accordance with the published specifications. The warranty shall commence on the date of the invoice and terminate at the end of the period on the full warranty statement. The warranty is valid only if the products are installed properly and in conformance of the specifications, installation guides, Playdale Playgrounds design layout, and properly maintained in accordance with the maintenance schedule provided within the installation instructions. Playdale Playgrounds reserves the right to accept or reject any claim in whole or in part. Playdale Playgrounds will not accept the return of any product without prior approval by Playdale management.

Electronic Play

SRP guarantees the speakers, sound chips, and circuit boards used in the production of their electronic play products for 3 years, against electronic failure caused by manufacturing defects. This guarantee does not include failure as a result of any form of misuse, vandalism or neglect including, but not limited to accidental damage while changing the batteries or servicing the internal electronics, a failure to follow the battery replacement guide, the troubleshooting guide or the care and maintenance instructions for the electronics units.

Pricing, Cancellation, Return, and Shipping Policies

All prices are F.O.B. factor and do not include freight, installation, shipping and handling, surfacing, or applicable taxes. All prices listed were current at the time of printing and in U.S. currency. Prices are subject to change without notice. To view our return policy, please visit superiorrecreationalproducts.com/returns. For information on Return Material Authorizations please call 1.800.327.8774. To view our shipping policy, please visit superiorrecreationalproducts.com/shipping. For any further information, please call 1.800.327.8774.

**For the purpose of this warranty, lifetime encompasses no specific term of years, but rather that seller warrants to its original customer for as long as the original customer owns the product and uses the product for its intended purpose that the product and all parts will be free from defects in materials and manufacturing workmanship. This warranty does not cover damage caused by vandalism, misuse or abuse, altered or modified parts, or cosmetic damage such as scratches, dents, or fading or weathering and normal wear and tear. This warranty is valid only if the structures are installed in conformity with instructions provided by Superior Recreational Products using approved Superior Recreational Products parts. Superior Recreational Products will deliver the repaired or replacement part or parts to the site free of charge, but will not be responsible for labor or the labor costs of replacement. Warranty claims must be filed within the applicable warranty period and accompanied by a sales order or invoice number.*
