Outdoor Classrooms

Great for lunch outdoors or for an outdoor classroom setting, these environments are designed with physical distancing in mind. Our 30' x 20' hip shade allows for six tables or nine benches to be spaced six feet apart. The space is completed with a hand sanitation station and trash receptacle.

BUDDY BENCH

Early Childhood Collection

Buddy Bench

Our buddy benches are an industry favorite — and for a good reason! Buddy benches are an ideal solution to combat loneliness and help foster friendships at both schools and parks.

CHOOSE YOUR DESIGN

Pair one of the below Buddy Bench designs with most benches in our Essentials Bench Collection. Opt for adding a colored backing plate for a pop of color for a small upcharge.

BUDDY BENCH Standard

Portable Children's Table -ELEM

- 14" seat height
- Available in standard rectangular, square, octagon, or round portable tables
- Add "-ELEM" to end of qualifying product number
- Powder coated frame
- Textured polyethylene table top and seats

Portable Children's Bench -ELEM

- 14" seat height
- Available for Standard With and Without Back Benches
- Add "-ELEM" to end of qualifying product number
- Powder coated frame
- Textured polyethylene seat and seat back

Personalize Your Product

Add your logo, emblem, insignia, or theme to market your brand and leave a visual impression on your guests. We offer complimentary lettering from our selection of fonts, as well as more intricate designs. Here are the details:

- Upcharge per piece
- Powder coated backing plates are available for an additional charge and allow your design to pop
- Customization available on most products

Warranty and Options

LIMITED WARRANTY

Superior Recreational Products (SRP) warrants that its product will be free from defects in materials and workmanship as well as maintain structural integrity for the periods listed below from the date of invoice and once SRP has been paid in full. This warranty is in effect only if the product has been assembled and installed strictly in accordance with the setup instructions provided by SRP, good construction practices, and has been subjected only to normal use and exposure.

- Lifetime* Warranty on Stainless Steel Hardware
- 7-Year Limited Warranty on Textured Polyethylene and Thermoplastic
- 5-Year Limited Warranty on Frames and Powder Coat
- 1-Year Limited warranty on moving parts and materials not covered above

The Limited Warranty excludes abnormal conditions, contingent liability, cosmetic defects such as scratches, dents, marring, stripping, peeling, or fading; damage due to incorrect installation, vandalism, misuse, accident wear and tear from normal use; exposure to extreme weather, immersion in salt or chlorine water, damage due to sand, salt spray, or other abrasive and corrosive material; unauthorized repair or modification, abnormal use, or lack of maintenance. The warranty does not cover damages due to "acts of God" such as hail, flooding, lightning, tornadoes, sand storms, shifts of terrain, earthquakes, mud slides, and windstorms. SRP does not warrant product for defects caused by erection, harsh site conditions, lack of maintenance, and/or other conditions beyond SRP's control. SRP will not be held responsible for any materials that were not properly stored prior to installation. SRP reserves the right to void the limited warranty if it not installed per the installation instructions and/or unauthorized modifications.

In the unlikely event of failure, SRP reserves the right to alter the design, color, or contributing factors to rectify the condition and help prevent any future reoccurrence(s). SRP has the option to repair or replace any defect in materials.

The warranty is void if any changes, modifications, additions, or attachments are made to the product without the written consent of the manufacturer.

SRP excludes any implied warranty of merchantability, fitness, or purpose, and there are no warranties which extend beyond the description of the face hereof. Under no circumstances will SRP be responsible for any indirect, special, consequential, incidental, or liquidated damages due to breach of warranty and such damages are specifically excluded from the warranty.

The owner shall notify SRP with original Sales Order Number issued from SRP to arrange for an inspection within 30 days after discovery of any defect under this warranty and before any alteration or repair is made or attempted. This Limited Warranty shall be null and void if the owner makes any alterations in design.

This warranty is the only express warranty given by the company. No person has authority to change or add to these obligations and liabilities. The company reserves the right to determine whether the fault is caused by faulty workmanship, material, or the part that is defective.

SRP will repair or replace at its discretion any defective part/s on an Ex-Works basis only. It is the responsibility of the customer to return the whole unit or the defective part/s at their own cost back to SRP for inspection along with proof of the date of purchase. SRP will not be liable for any costs incurred by the customer as a result of replacing the defective part/s, including but not limited to the costs of site visits and the labor costs involved with the removal and reinstallation of the whole unit or the defective part/s. Furthermore SRP will not be liable for any claimed compensation while the unit is not working or not present at the site whatsoever. This guarantee does not entitle the customer to a complete new product due to a defective component.

Structural Steel SRP offers a 5-year limited warranty on structural supports for tables and benches to the original purchaser to be free of rust outs that would compromise structural integrity. Workmanship is warranted for a period of five years. This steel warranty shall be

*For the purpose of this warranty, lifetime encompasses no specific term of years, but rather that seller warrants to its original customer for as long as the original customer owns the product and uses the product for its intended purpose that the product and all parts will be free from defects in materials and manufacturing workmanship. This warranty does not cover damage caused by vandalism, misuse or abuse, altered or modified parts, or cosmetic damage such as scratches, dents, or fading or weathering and normal wear and tear. This warranty is valid only if the structures are installed in conformity with instructions provided by Superior Recreational Products using approved Superior Recreational Products parts. Superior Recreational Products will deliver the repaired or replacement part or parts to the site free of charge, but will not be responsible for labor or the labor costs of replacement. Warranty claims must be filed within the applicable warranty period and accompanied by a sales order or invoice number.

void if damage to the steel is caused by the installer or from physical damage, damage by salt spray or sprinkler systems, contact with chemicals, chlorine, pollution, misuse, vandalism, or any act of God.

Powder Coat SRP offers a 5-year Limited Warranty for powder coating to the original purchaser. This Limited Warranty is for factory applied finish only. Damage occurring from shipping, erection, vandalism, accidents, or field modification is not covered in this limited warranty and will require field touch-up immediately and periodically thereafter. The owner must report any defect in powder coat at the time the installation is completed. Not covered by this Limited Warranty are acute angles, welds, and end plates.

The Limited Warranty for powder coating provides the following after a 5-year exposure period when applied according to the recommendations listed on the product's technical data sheet and appropriate surface preparation has been utilized.

- The coatings shall retain their original color with a ΔE of <7.5 units for high chroma colors (yellows, reds, oranges, etc.) and a ΔE of <5.0 units for low chroma colors, when tested in accordance with ASTM D 2244.
- The coating shall retain a minimum of 50% of its original gloss level after washing, when tested in accordance with ASTM D 523.
- The coating shall exhibit chalking no worse than numerical rating of 6, when evaluated in accordance with ASTM D 659-80.

Textured Polyethylene & Thermoplastic SRP offers a 7-year limited warranty to the original purchaser of the products to be free of corrosion on seats and tops that results in bare metal exposure after the date of purchase, excluding any corrosion that may be the result of vandalism or intentional stripping of any of the coating.

Pricing, Cancellation, and Shipping Policy All prices are F.O.B. factor and do not include freight, installation, shipping and handling, surfacing, or applicable taxes. All prices listed were current at the time of printing and in U.S. currency. Prices are subject to change without notice. TOP AND SEAT COATING

Our powder-based textured polyethylene is placed in a fluidized vat where the product is dipped and then baked. Traditionally, polyethylene is very easily scratched and marred causing it to be difficult to fix. By using a textured surface, SRP has eliminated this problem. Our textured polyethylene coating helps hide the scratches and marks, while keeping the product looking better longer. This coating is maintenance-free.
