Grounds For Play®

Building Better **Environmentally-Friendly** Play Environments

memory makers
skill builders
CHAMPIONS OF CHILDHOOD

For over four decades, we've combined research, sustainable practices, and a **passion for play** to deliver playground environments that:

- Foster physical, cognitive, and social-emotional growth
- **Prioritize safety** without compromising fun
- Embrace environmental responsibility
- Adapt to the **unique needs** of each client

Get started on your dream playground by visiting groundsforplay.com/find-a-rep to find your local sales representative, who can answer questions and provide pricing and shipping information.

Playground Structures	Freestanding Equipment	Structure Components

Kiddie Academy
Zionsville, Indiana

We ♥ Balanced Play

We are grounded in child development, allowing us to create balanced spaces that support various types of play. Our playgrounds:

- Go beyond physical activity
- Align with your program's goals
- Address age-specific needs

Dramatic Play

Promotes creativity, social skills, problem-solving, and emotional understanding by encouraging children to explore roles, scenarios, and perspectives.

Physical Play

Enhances children's motor skills, balance, coordination, and physical fitness while fostering social interaction and problem-solving abilities.

Music & Art Play

Fosters creativity, self-expression, fine motor skills, and cognitive development while enhancing emotional regulation and critical thinking.

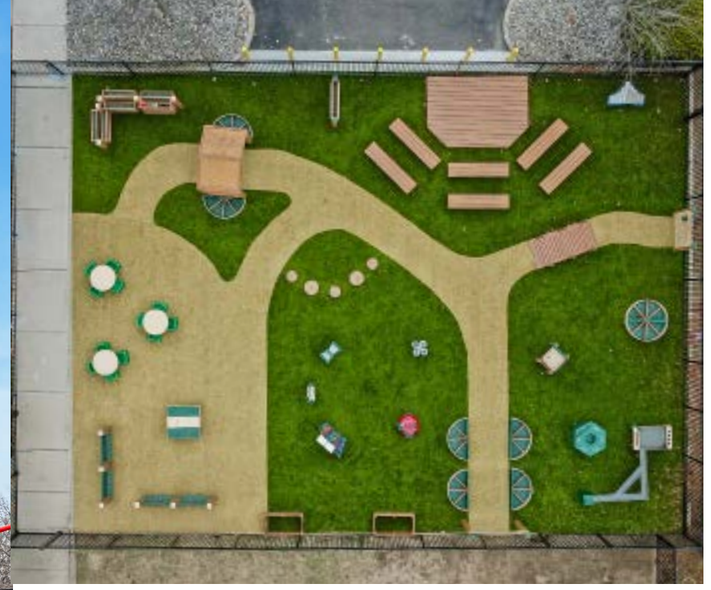

Nature & Outdoor Classroom

Nurture children's creativity, curiosity, and problem-solving skills while promoting physical health, sensory development, and a deeper connection to the environment.

We ♥ Learning Outside

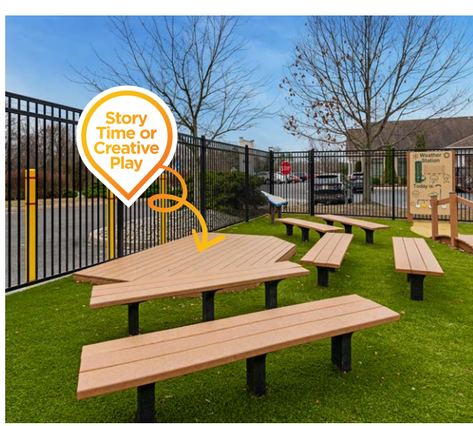

Outdoor classrooms spark creativity, encourage exploration, and promote hands-on learning. We offer outdoor classroom equipment that supports diverse learning styles, enhances social interaction, and creates an engaging space for multidisciplinary education.

Concept *to* Creation

We guide you through every step of your playground design process, ensuring a seamless journey from concept to creation to deliver a stunning, safer, and ready-to-play playground tailored to your needs. See some of our installed creations on the next few pages.

Step 1

It begins with an initial site plan that captures your vision and goals.

Step 2

A conceptual rendering brings the design to life, so you and other key stakeholders have a clear vision of the space.

Step 3

Our experienced team manufactures the equipment and manages the installation process, delivering your dream playground.

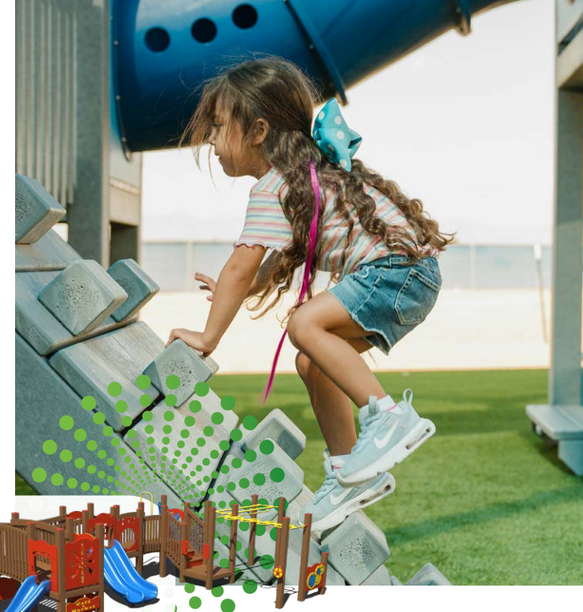

GFP-30292
Ages: 2-12 Years
Use Zone: 38′ x 28′

GFP-30006-1
Ages: 5-12 Years

Concept to Creation

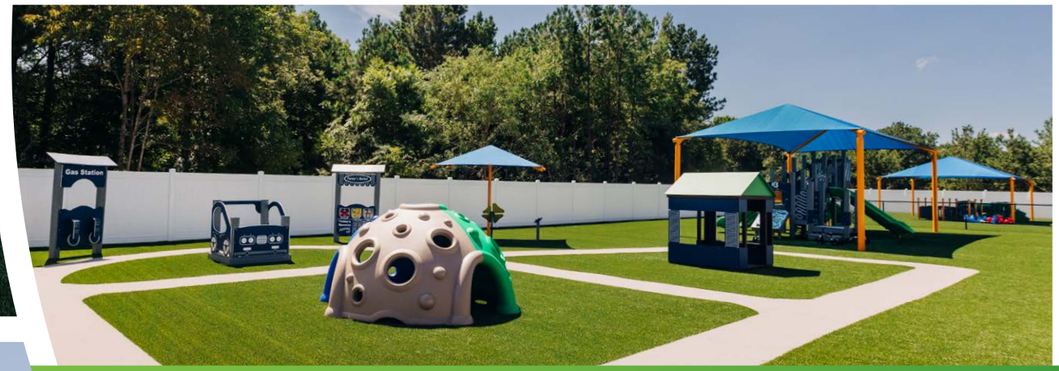

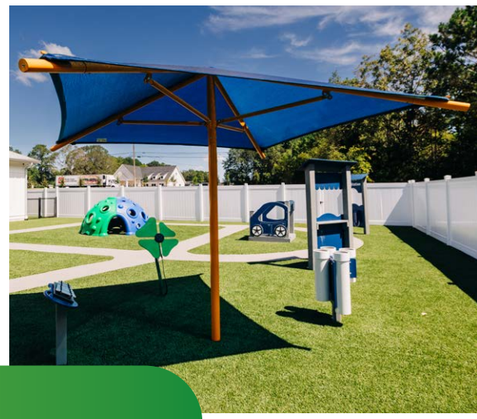

GFP-30082-1
Ages: 2-12 Years
Use Zone: 41' x 33'

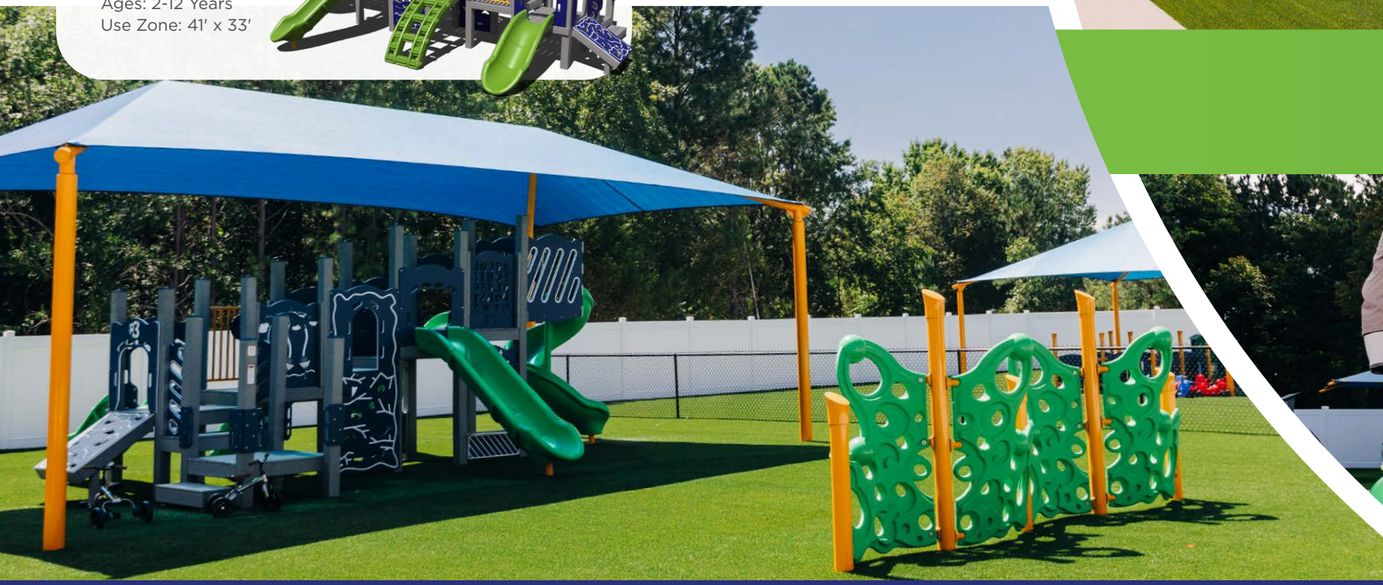

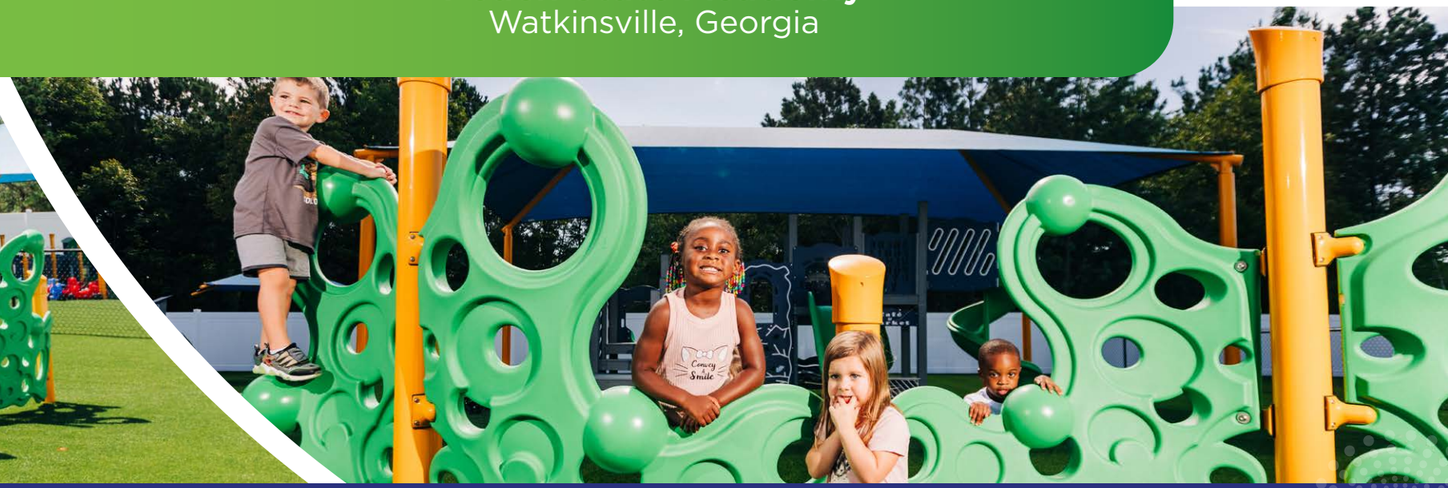

Peach State Academy
Watkinsville, Georgia

transforming WASTE into PLAY

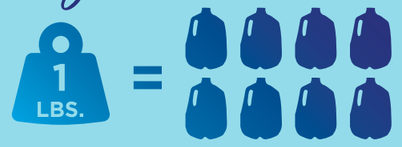

Once you see the benefits, you'll understand why recycled plastic posts and decking for playgrounds are becoming more and more popular for schools, parks, housing communities, and child cares.

why choose recycled plastic?

- Look of wood without the maintenance — **no splinters or rotting**
- Made from **non-toxic** and **environmentally-friendly** materials
- Decks and posts **do not rust or flake**
- **Equally as strong** as wood playgrounds

did you know?

Our playgrounds are **made from 95% reclaimed post-consumer plastic products such as milk jugs**! Every pound of recycled plastic lumber equates to 8 recycled milk containers. Additionally, the posts and decking can be recycled at the end of their life.

Certified Green Our lumber supplier, Tangent®, has achieved recycled content verification from GreenCircle Certified. Their certification is in compliance with ISO 14021:2016 definitions and the guidelines in the 2012 Federal Trade Commission (FTC) Green Guides for recycled content. Our posts and decks meet criteria for the USGBC LEED requirements.

Rendering for illustrative purposes only.

Built FOR Play

made in the usa

Our playgrounds are crafted with care and precision right here in the USA, ensuring quality, safety, and community pride in every design.

- Designed with durable, American-made materials to withstand years of active play
- Supporting local jobs to strengthen our communities
- Meeting the highest safety and quality standards for playground equipment

Coastal play Perfected

Marine borers, salt spray, UV rays, and unwanted playground rust beware. You're no match for our playgrounds.

Built-In Resistance Our posts and decks resist marine borers and salt spray.

UV Additives Most of our components, as well as our shade fabric, either have UV additives or are UV stabilized to resist fading against that hot coastal sun.

Extra Protection Options Our metal components can have an extra-protection coating to protect against salt spray and the coastal air.

Learn more about our playground materials at groundsforplay.com/our-materials.

Design Ideas

playground structures

We design playground structures that **inspire growth** and creativity. By blending thoughtful research, eco-friendly methods, and a **deep love for play**, we create playgrounds that:

- Promote physical activity, cognitive exploration, and social connection
- Balance top-tier safety standards with **endless fun**
- Reflect a commitment to protecting the environment
- Cater to the **distinct vision and needs** of every client

R-Town® Cottages

FXR-COT-212-0157

Age Group: 2-12 Years
Capacity: 80-85
Structure Size: 32′ x 25′
Use Zone: 44′ x 37′
Fall Height: 6′
Est. Timber Count: 35

FXR-COT-205-0156

Age Group: 2-5 Years
Capacity: 45-50
Structure Size: 20′ x 16′
Use Zone: 32′ x 28′
Fall Height: 4′
Est. Timber Count: 25

FXR-COT-205-0191

Age Group: 2-5 Years
Capacity: 25-30
Structure Size: 18′ x 13′
Use Zone: 30′ x 22′
Fall Height: 3′
Est. Timber Count: 22

FXR-COT-205-0187

Age Group: 2-5 Years
Capacity: 10-15
Structure Size: 22′ x 16′
Use Zone: 35′ x 28′
Fall Height: 4′
Est. Timber Count: 27

Concept to Creation

FXR-COT-205-0169

Age Group: 2-5 Years
Capacity: 60-65
Structure Size: 25′ x 24′
Use Zone: 37′ x 36′
Fall Height: 4′
Est. Timber Count: 31

Warning! Installation over a hard surface such as concrete, asphalt, or packed earth may result in serious injury from falls.

NEW Woodland Wonders

NEW FXR-NAT-512-0201

Age Group: 5-12 Years
Capacity: 40-45
Structure Size: 26′ x 10′
Use Zone: 38′ x 22′
Fall Height: 6′
Est. Timber Count: 26

NEW FXR-NAT-205-0223

Age Group: 2-5 Years
Capacity: 40-45
Structure Size: 21′ x 19′
Use Zone: 33′ x 30′
Fall Height: 4′
Est. Timber Count: 27

NEW FXR-NAT-205-0224

Age Group: 2-5 Years
Capacity: 40-45
Structure Size: 22′ x 16′
Use Zone: 34′ x 28′
Fall Height: 4′
Est. Timber Count: 25

NEW Fairytale Fortresses

NEW GFP-30466

Age Group: 2-12 Years
Capacity: 30-35
Structure Size: 29′ x 26′
Use Zone: 41′ x 38′
Fall Height: 5′
Est. Timber Count: 36

Pick Cooler Colors for an Ice Castle

NEW GFP-30467

Age Group: 2-5 Years
Capacity: 30-35
Structure Size: 25′ x 22′
Use Zone: 37′ x 34′
Fall Height: 4′
Est. Timber Count: 30

NEW GFP-30465

Age Group: 2-12 Years
Capacity: 40-45
Structure Size: 24′ x 19′
Use Zone: 36′ x 31′
Fall Height: 5′
Est. Timber Count: 28

What's timber count? The amount of 4′ playground timbers (or borders) needed to surround the playground should a type of loose fill surfacing be used. See page 75 for more information.

Ages 5-12 Years

GFP-30000-M3

Arch Swing Frame

physical play
Swing Frames & Seats

Single Post Swing Frames

Constructed from either 5" (without shade) or 6⅝" (with shade) diameter steel, these frames feature an 8' height and are available with or without shade. **The version with shade is IPEMA Certified and ASTM F1487-17 Compliant.**

Without Shade

Bays	Item Number	Use Zone
1	TFR0628XX	24' x 32'
2	TFR0629XX	36' x 32'
3	TFR0630XX	48' x 32'
4	TFR0631XX	60' x 32'

With Shade

Bays	Item Number	Use Zone
1	RSW23516G	24' x 32'
2	RSW3516G	36' x 32'
3	RSW46516G	48' x 32'
4	RSW5816G	60' x 32'

Arch Swing Frame

Constructed from 3.5" or 5" diameter steel, these frames feature an 8' height and are for use with swing seats or tire swings.

For Traditional Swing Seats

Post Size	Bays	Item Number	Use Zone
3.5"	1	TFR3501XX	24' x 32'
	2	TFR3502XX	36' x 32'
	3	TFR3503XX	48' x 32'
	4	TFR3504XX	60' x 32'
	Add-A-Bay	TFR3500XX	Add 11' x 32'
5"	1	EFR0116XX	24' x 32'
	2	EFR0117XX	36' x 32'
	3	EFR0118XX	48' x 32'
	4	EFR0119XX	60' x 32'
	Add-A-Bay	EFR0120XX	Add 11' x 22'

For Tire Swings

Our tire swing frame is made from 5" steel tubing.

Bays	Item Number	Use Zone
1	90015991XX	22' x 28'
2	90015992XX	22' x 44'
3	90015993XX	22' x 59'
4	90015994XX	22' x 74'
Add-A-Bay	90945900XX	Add 11' x 22'

Standard Swing Frames

Constructed from 2⅜" galvanized steel tubing with cast aluminum junctions, these swing frames feature an 8' or 10' height. **The part numbers below are for galvanized frames. To order a powder coated frame for an upcharge, replace "XX" with "PC" in the part numbers below.**

Bi-Pod

Available in an 8' height only.

Bays	Item Number	Use Zone
1	90015401XX	25' x 32'
2	90015402XX	36' x 32'
3	90015403XX	48' x 32'
Add-A-Bay	90915400XX	Add 11' x 32'

Tri-Pod

Height	Bays	Item Number	Use Zone
8'	1	90015301XX	33' x 32'
	2	90015302XX	45' x 32'
	3	90015303XX	56' x 32'
	Add-A-Bay	90015300XX	Add 11' x 32'
10'	1	90015311XX	36' x 40'
	2	90015312XX	47' x 40'
	3	90015313XX	58' x 40'
	Add-A-Bay	90015391XX	Add 11' x 32'

To-Fro Glider

The To-Fro Glider is designed for children aged 6-23 months. **Swing seats (INF00058XX) sold separately. INF00058XX includes two seats and chain sets.**

Bays	Item Number	Use Zone
1	TFR0692XX	24' x 13'
2	TFR0693XX	36' x 13'

Developmental Benefits
- Encourages Turn Taking
- Stimulates the Vestibular System

Belt Seats

Our molded belt seats feature galvanized triangle hardware and high carbon steel spring inserts to resist vandalism. Available in red, yellow, green, blue, black, and tan. Galvanized or yellow PVC coated chain is available. **Sold as a set of two.**

Chain Type	Chain Link	Item Number
Galvanized	8'	90015108XX
	10'	90015110XX
Yellow PVC	8'	90015208XX
	10'	90015210XX

Bucket Seats

Our full bucket seats feature high backs and full stainless steel inserts. These seats are available as for ages 24–47 months with 54" chain in red, yellow, green, blue, or black. **Sold as a set of two.**

Chain Type	Item Number
Galvanized	90015130XX
Yellow PVC	90015230XX

Tire Swing Seats

Our Tire Swing Seat includes one tire and all galvanized chain and hardware. Order one item number per bay. Tires are made from durable, black roto-molded plastic.
Model: TFR0612XX

INCLUSIVE

Inclusive Swing Seat

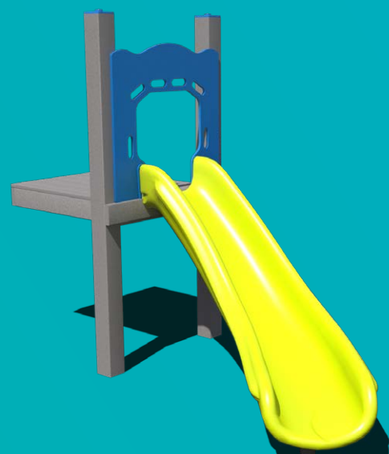

NEW

This patent-pending swing seat design is for children ages 5–12 who need support to maintain a seated position. This set comes with two seats and all chain and hardware. Available in any plastic color with a beige brace. **Sold as a set of two.**
Model: TFR0768XX

Beveled Swing Mat

Our 48" x 48" x 1 ½" swing mat is great for areas where loose fill surfacing is used to help minimize the displacement of surfacing.
Model: WM-05

Complete Your Space With Just **One** Company

Shade

We offer shade structures for nearly every application. Shop our collection when looking for:

- Playground Shades
- Site Furnishing Shades
- Picnic Area Shades
- Outdoor Classroom Shades
- And More!

Shelter

We offer shelter structures to provide protection from both the weather and the sun. Shop our collection when looking for:

- Picnic Pavilions
- Bleacher Covers
- Walkway Covers
- And More!

Site Furnishings

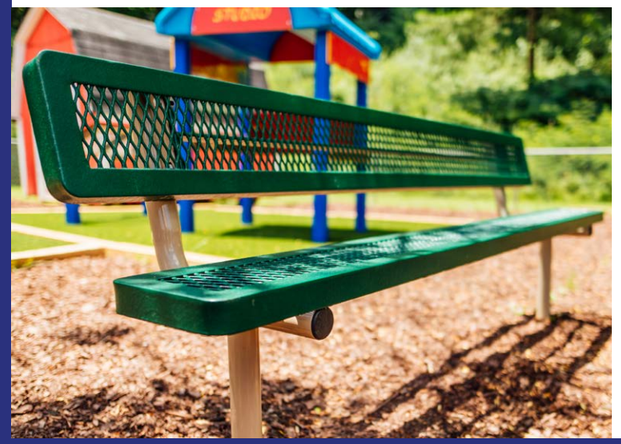

We offer a full line of benches, tables, and trash receptacles in a variety of styles. Shop our collection when looking for:

- Tables
- Benches
- Trash Receptacles
- Bike Racks
- And More!

Ask your representative for more information!

Making It Easy *to buy*

Ordering is as easy as contacting your local Grounds For Play sales representative. They'll answer any questions and provide pricing and shipping information for our products. To start, visit groundsforplay.com/find-a-rep to find your local representative's contact information. Grounds For Play also makes it easy for clients to buy by utilizing reputable national purchasing cooperatives.

State-Specific Opportunities

NASPO ValuePoint SUPPLIER PARTNER

The NASPO ValuePoint Cooperative Purchasing Organization is available to all public agencies, institutes of higher education, political subdivisions, and, in some cases, non-profit organizations in states who have obtained a NASPO ValuePoint Participating Addendum. Currently, we have partnered with the following states:

- Montana
- North Dakota
- Oregon
- South Carolina
- Kansas
- New Mexico
- South Dakota
- Utah
- Washington
- Virginia
- New York
- And More!

For Businesses

NAVITAS CREDIT CORP. | A UNITED COMMUNITY BANK COMPANY

Navitas Credit Corporation is a nationwide direct lender with a focus on small and medium sized businesses. Navitas provides capital in the form of leases and loans to assist businesses in acquiring the equipment and financing they need to grow and stay competitive.

For Government Entities

BuyBoard® Cooperative Purchasing

BuyBoard is an online purchasing cooperative that gives its members best pricing on products, equipment, and services that they use every day. Members save time and resources because the competitive procurement process has already been completed. BuyBoard's nationwide members include those in public schools, municipalities, county government, and all types of local government agencies and non-profits.

GSA Advantage!®

GSA Advantage!® is an online cooperative purchasing program that provides access to thousands of products and services. State and local government entities can take advantage of this buying power to get you the best value and price.

For Everyone

Our representatives have extensive knowledge and training in early childhood and Grounds For Play products. Find your closest representative by visiting groundsforplay.com/find-a-rep.

We Meet or Exceed *industry standards*

In our effort to provide safe and quality play products for children, our products meet or exceed the standards set forth by the below organizations. Additionally, we follow our own strict in-house standards and guidelines.

Safety & Accessibility Standards

International Play Equipment Manufacturers Association™

In the interest of playground safety, the International Play Equipment Manufacturers Association (IPEMA™) provides a third-party certification service whereby a designated independent laboratory, TÜV SÜD America Inc., (TÜV), validates an equipment manufacturer's certification of conformance to the standards below.

- ASTM1487-17, excluding sections 7.1.1, 10 and 12.6.1: Standard Consumer Safety Performance Specification for Playground Equipment for Public Use
- CAN/CSA-Z614-14, excluding clauses 9.8, 10, and 11: Children's Playspaces and Equipment

A list of current validated products may be viewed on their website at www.ipema.org. Grounds For Play is a member of this organization.

ASTM International

ASTM International, formerly American Society for Testing and Materials, is an independent and world renowned developer of technical standards utilized in testing a multitude of products. ASTM developed F1487 Standard Consumer Safety Performance Specifications for Playground Equipment for Public Use. The current standard is F1487-11, published in 2011.

U.S. Consumer Product Safety Commission

The U.S. Consumer Product Safety Commission (CPSC) presents safety guidelines through the publication of their Public Playground Safety Handbook. This handbook promotes greater safety awareness among those who purchase, install, and maintain public playground equipment. The handbook can be viewed on the CPSC's website, cpsc.gov.

United States Access Board

The U.S. Access Board is a federal agency that promotes equality for people with disabilities. They've developed guidelines and standards for built environments, such as playgrounds.

In-House Standards

At Grounds For Play, we only use quality playground materials. Our playgrounds are **proudly manufactured in the USA** and are built to last.

To ensure the safest play for your children, we offer:

- Quality control inspection on all parts and shipments
- All products must pass inspection in our IPEMA Certified In-House Testing Facility
- In-house production of most products
- All products meet or exceed CPSC, ASTM, and ADA Safety Guidelines
- On-staff CPSI certified employees
- Local field factory trained installation technicians

Quality Standards

Allied Tube & Conduit®

Some of our products constructed from Allied's heavy-wall galvanized steel tubing, which is protected by Allied's patented Flo-Coat© process that uses triple-coat corrosion protection (zinc, conversion coating, and clear organic topcoat) to provide a smooth, shiny product appearance that is unmatched in terms of strength and durability

GreenCircle Certified

Our lumber supplier, Tangent®, has achieved recycled content verification from GreenCircle Certified. Their certification is in compliance with ISO 14021:2016 definitions and the guidelines in the 2012 Federal Trade Commission (FTC) Green Guides for recycled content. **Our posts and decks also meet criteria for the USGBC LEED requirements**.

Our Leading *warranty*

Our warranty guarantees years of fun, offering a Lifetime* Warranty on core playground components and a 15-Year Limited Warranty on additional playground parts. Read the details below for full coverage information.

Grounds For Play (GFP) warrants that its product will be free from defects in materials and workmanship as well as maintain structural integrity for the periods listed below from the date of invoice and once GFP has been paid in full. This warranty is in effect only if the product has been assembled and installed strictly in accordance with the setup instructions provided by GFP, good construction practices, and has been subjected only to normal use and exposure.

- **LW** Lifetime* Warranty on playground steel and recycled posts, all stainless steel hardware, c-line fittings, and aluminum post caps
- **15** 15-Year Limited Warranty on playground pipes, rungs, loops and rails, roto-molded plastics, HDPE plastic sheets, punched steel decks, and recycled decks
- **10** 10-Year Limited Warranty on shade fabric
- **5** 5-Year Limited Warranty on standard powder coat* and playground netting cable
- **1** 1-Year Limited warranty on moving parts, shade cables, and materials not covered above

Limited Warranty: Structural Steel
GFP offers a *Lifetime Limited Warranty on structural steel frames against failure due to rust-through corrosion under normal environmental conditions. Should the parts need to be replaced under the warranty, GFP will manufacture and ship new replacement parts at no charge for the first ten years, thereafter pro-rated at 50% for the second ten years and 25% from there on. Workmanship is warranted for a period of five years. This steel warranty shall be void if damage to the steel is caused by the installer or from physical damage, damage by salt spray or sprinkler systems, contact with chemicals, chlorine, pollution, misuse, vandalism, or any act of God.

***Limited Warranty: Powder Coat**
GFP offers a 5-year Limited Warranty for standard powder coating or a 7-year Limited Warranty for Corrosion Defense Package powder coating to the original purchaser. This Limited Warranty is for factory applied finish only. Damage occurring from shipping, erection, vandalism, accidents, or field modification is not covered in this limited warranty and will require field touch-up immediately and periodically thereafter. The owner must report any defect in powder coat at the time the installation is completed. Not covered by this Limited Warranty are acute angles, welds, and end plates.

The Limited Warranty for powder coating provides the following after a 5-year (standard) or 7-year (Corrosion Defense Package) exposure period when applied according to the recommendations listed on the product's technical data sheet and appropriate surface preparation has been utilized.

- The coatings shall retain their original color with a ΔE of <7.5 units for high chroma colors (yellows, reds, oranges, etc.) and a ΔE of<5.0 units for low chroma colors, when tested in accordance with ASTM D 2244.
- The coating shall retain a minimum of 50% of its original gloss level after washing, when tested in accordance with ASTM D 523.
- The coating shall exhibit chalking no worse than numerical rating of 6, when evaluated in accordance with ASTM D 659-80.

Stainless Steel Series Powered by Playdale Playgrounds
Playdale Playgrounds warrants its products to the original customer to be free from structural failure due to defect in materials or workmanship during normal use and installation in accordance with the published specifications. The warranty shall commence on the date of the invoice and terminate at the end of the period on the full warranty statement. The warranty is valid only if the products are installed properly and in conformance of the specifications, installation guides, Playdale Playgrounds design layout, and properly maintained in accordance with the maintenance schedule provided within the installation instructions. Playdale Playgrounds reserves the right to accept or reject any claim in whole or in part. Playdale Playgrounds will not accept the return of any product without prior approval by Playdale management.

Pricing, Cancellation, Return, and Shipping Policies
All prices are F.O.B. factor and do not include freight, installation, shipping and handling, surfacing, or applicable taxes. All prices listed were current at the time of printing and in U.S. currency. Prices are subject to change without notice. To view our return policy, please visit superiorrecreationalproducts.com/returns. For information on Return Material Authorizations please call 1.800.552.7529. To view our shipping policy, please visit superiorrecreationalproducts.com/shipping-policy. For any further information, please call 1.800.552.7529.

**For the purpose of this warranty, lifetime encompasses no specific term of years, but rather that seller warrants to its original customer for as long as the original customer owns the product and uses the product for its intended purpose that the product and all parts will be free from defects in materials and manufacturing workmanship. This warranty does not cover damage caused by vandalism, misuse or abuse, altered or modified parts, or cosmetic damage such as scratches, dents, or fading or weathering and normal wear and tear. This warranty is valid only if the structures are installed in conformity with instructions provided by GFP using approved GFP parts. GFP will deliver the repaired or replacement part or parts to the site free of charge, but will not be responsible for labor or the labor costs of replacement. Warranty claims must be filed within the applicable warranty period and accompanied by a sales order or invoice number.*
