## SOUTHERN RECREATION RESPONSIBILITIES

Southern Recreation (SR) is responsible for the acceptance of all freight deliveries that includes the installation of the equipment. All equipment will ship to our warehouse for acceptance and inventory. Equipment will be transported to the installation site on fully insured SR trucks and trailers. SR is responsible to secure the site and equipment while the installation is in progress. All equipment to be installed per CPSC and ASTM guidelines for proper spacing and elevations. SR is responsible for trash removal as a result of the installation

## Owners Responsibilities

Provide access to the installation site

Provide area for storage and staging if needed

Security at the installation site both during and after work hours

To provide sufficient input for equipment locations so as to properly install per the owners intent-

Note: All equipment installation must meet CPSC and ASTM guidelines for proper spacing.

SR WILL NOT INSTALL any equipment outside of these spacing guidelines

# TERMS AND CONDITIONS

## OPTIONAL RESPONSIBILITIES

If a building permit is required, it is the responsibility of the owner to provide SR with all necessary documentation as needed-this would include an acceptable site plan, warranty deed (if needed), owners notarized signatures on permit and Notice of Commencement and all other documentation as required by the local building department of jurisdiction in order to execute the permit. Charges for permitting will include an administrative fee and actual permit cost. Any other SR responsibilities must be clearly outlined in the applicable proposal/contract

## ACCESS/UTILITIES

Access will need to be provided to the installation area for heavy trucks and equipment. Access of equipment and personnel is the obligation of the customer to provide until the project is fully completed. We will take every precaution to avoid damage.

## ROCK/FOREIGN OBJECT CLAUSE

Most installations require digging of holes and footing equipment in concrete below finished grade. Removal of existing ground covers such as asphalt, concrete, tan bark, sand, pea gravel, wood fiber, rubber matting, poured-in- place rubber surfacing, or any other material that interferes or delays the digging of holes, is the responsibility of others, unless otherwise noted. If excessive underground obstructions such as rock, coral, asphalt, concrete, pipes, drainage systems, root systems, water, or any other unknown obstructions are discovered, charges will be added to the original proposal.

## PLAYGROUND SURFACING

All playground equipment is to be installed over safety surfacing per CPSC guidelines and ASTM standards. If the customer contracts for something contrary to the guidelines, they are accepting all responsibility for any liability and future litigation that may arise.

Signature of owner or owners rep indicates acceptance of the above terms and conditions
