WE'RE WITH YOU, STEP BY STEP

01 SITE CONSULTATION
Your sales representative will begin by listening to your needs and wants to discuss details that will help plan your playground vision.

02 SITE PLAN
We'll make your site plan while considering things like play systems, freestanding play, shade, site furnishings, and more.

03 DESIGN & SAFETY REVIEW
We design our play spaces to meet or exceed the standards set forth by reputable organizations.

04 PROPOSAL
You will receive a proposal that will include a site plan, computer-aided design (CAD) drawing, renderings (if requested), final cost, installation plan, and expected lead time.

05 MANUFACTURING & INSTALLATION
While your equipment is being made in our facility in Ft. Payne, Ala., your sales rep will schedule the installation of your new play area.

06 CONTINUED SUPPORT
Support doesn't stop after installation. Our sales reps can help with continued maintenance, inspections, and more.

MADE IN AMERICA

Our playgrounds are made in Ft. Payne, Ala. Since they are made in the USA, you know you're getting a playground made with the strongest materials that adhere to safety standards set forth by American-based organizations.

YOUR PARTNER IN PLAY

Our dedicated sales representatives are not just a voice on the phone, they're right where you are.

They stand ready to provide expert guidance and support, making your experience with us both convenient and tailored to your unique requirements. To start the ordering process, contact your local representative at srpplayground.com/find-a-rep.

Helping you say goodbye to bidding and hello to contract pricing.

To help ease the strain of bid solicitation, Superior has opportunities for organizations to utilize national purchasing power by buying our products through reputable purchasing cooperatives. Learn more at srpplayground.com/buying-cooperatives.

WE ♥ TELLING YOUR STORY

A themed playground is like an open book, where every structure and element tells a unique story.

A playground is a canvas for storytelling. As children climb, swing, and slide, they're not just having fun — they're living out stories of bravery, discovery, and friendship. As experts in creating one-of-a-kind playgrounds, our creative design team has been trusted with designing themes ranging from space to the ocean floor — and different activities, objects, and locations in between.

Handcrafted in the USA, we're one of the premier manufacturers that can create themed playgrounds in either steel or recycled material. From concept to creation, we will work together with you to tell the unique story of your community through our themed playgrounds.

PLAY THAT CONNECTS US

Providing inclusive play opportunities for a community is essential to ensure that every child of every ability can experience the joys of play and social interaction. Inclusive playgrounds promote empathy, break down barriers, and foster a sense of belonging among children of diverse abilities.

INCLUSIVE PLAY CONSIDERATIONS

01

ACCESS POINTS
Provide multiple opportunities for individuals to independently access play and engage in intuitive play patterns.

02

INTEGRATION
Include play events that children of all abilities can access throughout the play environment in order to encourage inclusion among all children.

03

VARIETY
Offer a balance of play activities that support the physical, social-emotional, sensory, cognitive, and communicative needs of all children.

PLAYGROUND TRENDS

Playground design is reaching new heights.

As a leader in innovation, it's our mission to help create vibrant play environments where children can learn and explore. With these playground trends, children can explore the possibilities of play while offering the physical and mental challenges children need to grow.

WE MEET OR EXCEED INDUSTRY STANDARDS

In our effort to provide safer, quality play products for children, our products meet or exceed the standards set forth by the below organizations. Additionally, we follow our own strict in-house standards and guidelines.

International Play Equipment Manufacturers Association™

In the interest of playground safety, the International Play Equipment Manufacturers Association (IPEMA™) provides a third-party certification service whereby a designated independent laboratory, TÜV SÜD America Inc., (TÜV), validates an equipment manufacturer's certification of conformance to the standards below.

- ASTM F1487-11, excluding sections 7.1.1, 10 and 12.6.1: Standard Consumer Safety Performance Specification for Playground Equipment for Public Use
- CAN/CSA-Z614-14, excluding clauses 9.8, 10, and 11: Children's Playspaces and Equipment

A list of current validated products may be viewed on their website at www.ipema.org. SRP is a member of this organization.

American Society for Testing and Materials

The American Society for Testing and Materials (ASTM) is an independent and world renowned developer of technical standards utilized in testing a multitude of products. ASTM developed F1487 Standard Consumer Safety Performance Specifications for Playground Equipment for Public Use. The current standard is F1487-11, published in 2011.

U.S. Consumer Product Safety Commission

The U.S. Consumer Product Safety Commission (CPSC) presents safety guidelines through the publication of their Public Playground Safety Handbook. This handbook promotes greater safety awareness among those who purchase, install, and maintain public playground equipment. The handbook can be viewed on the CPSC's website, cpsc.gov.

United States Access Board

The U.S. Access Board is a federal agency that promotes equality for people with disabilities. They've developed guidelines and standards for built environments, such as playgrounds.

ISO 9001 and ISO 14001

ISO industry certification processes are issued by International Organization for Standardization. ISO 9001 is used to measure manufacturing standards and to certify company compliance with quality management systems covering design, development, production, installation, inspection, and testing. ISO 4001, also known as the "Green Certification," specifies the requirements of an organization having an environmental management system (EMS). SRP's steel playground line is manufactured in an ISO 9001 and ISO 14001 certified facility.

PCI 4000

Certification by the Powder Coating Institute recognizes competency and processes in place to consistently produce high-quality powder coated products. PCI certification is the result of an extensive and rigorous audit process and SRP's steel playground manufacturing facility has this certification.

Superior Recreational Products (SRP) warrants that its product will be free from defects in materials and workmanship as well as maintain structural integrity for the periods listed below from the date of invoice and once SRP has been paid in full. This warranty is in effect only if the product has been assembled and installed strictly in accordance with the setup instructions provided by SRP, good construction practices, and has been subjected only to normal use and exposure.

- Lifetime* Warranty on playground steel and recycled posts, all stainless steel hardware, c-line fittings, and aluminum post caps
- 20-Year Limited Warranty on steel Shade structures
- 15-Year Limited Warranty on playground pipes, rungs, loops and rails, roto-molded plastics, HDPE plastic sheets, punched steel decks, and recycled decks
- 10-Year Limited Warranty on shade fabric and Ascend Rope Climber cable breakage
- 5-Year Limited Warranty on powder coat and climber nets and cables
- 3-Year Limited Warranty on electronic play and Ascend Rope Climber flexible rubber belting
- 1-Year Limited warranty on moving parts, Shade cable, and materials not covered above

Limited Warranty: Structural Steel
SRP offers a *Lifetime Limited Warranty on structural steel frames against failure due to rust-through corrosion under normal environmental conditions. Should the parts need to be replaced under the warranty, SRP will manufacture and ship new replacement parts at no charge for the first ten years, thereafter pro-rated at 50% for the second ten years and 25% from there on. Workmanship is warranted for a period of five years. This steel warranty shall be void if damage to the steel is caused by the installer or from physical damage, damage by salt spray or sprinkler systems, contact with chemicals, chlorine, pollution, misuse, vandalism, or any act of God.

Limited Warranty: Powder Coat
Superior Recreational Products offers a 5-year Limited Warranty for standard powder coating and a 7-Year Limited Warranty for Corrosion Defense Package powder coating to the original purchaser. This Limited Warranty is for factory applied finish only. Damage occurring from shipping, erection, vandalism, accidents, or field modification is not covered in this limited warranty and will require field touch-up immediately and periodically thereafter. The owner must report any defect in powder coat at the time the installation is completed. Not covered by this Limited Warranty are acute angles, welds, and end plates.

The Limited Warranty for powder coating provides the following after a 5-year exposure period when applied according to the recommendations listed on the product's technical data sheet and appropriate surface preparation has been utilized.

- The coatings shall retain their original color with a ΔE of <7.5 units for high chroma colors (yellows, reds, oranges, etc.) and a ΔE of<5.0 units for low chroma colors, when tested in accordance with ASTM D 2244.
- The coating shall retain a minimum of 50% of its original gloss level after washing, when tested in accordance with ASTM D 523.
- The coating shall exhibit chalking no worse than numerical rating of 6, when evaluated in accordance with ASTM D 659-80.

Stainless Steel Series (Powered by Playdale Playgrounds)
Playdale Playgrounds warrants its products to the original customer to be free from structural failure due to defect in materials or workmanship during normal use and installation in accordance with the published specifications. The warranty shall commence on the date of the invoice and terminate at the end of the period on the full warranty statement. The warranty is valid only if the products are installed properly and in conformance of the specifications, installation guides, Playdale Playgrounds design layout, and properly maintained in accordance with the maintenance schedule provided within the installation instructions. Playdale Playgrounds reserves the right to accept or reject any claim in whole or in part. Playdale Playgrounds will not accept the return of any product without prior approval by Playdale management.

Electronic Play
SRP guarantees the speakers, sound chips, and circuit boards used in the production of their electronic play products for 3 years, against electronic failure caused by manufacturing defects. This guarantee does not include failure as a result of any form of misuse, vandalism or neglect including, but not limited to accidental damage while changing the batteries or servicing the internal electronics, a failure to follow the battery replacement guide, the troubleshooting guide or the care and maintenance instructions for the electronics units.

Pricing, Cancellation, Return, and Shipping Policies

**For the purpose of this warranty, lifetime encompasses no specific term of years, but rather that seller warrants to its original customer for as long as the original customer owns the product and uses the product for its intended purpose that the product and all parts will be free from defects in materials and manufacturing workmanship. This warranty does not cover damage caused by vandalism, misuse or abuse, altered or modified parts, or cosmetic damage such as scratches, dents, or fading or weathering and normal wear and tear. This warranty is valid only if the structures are installed in conformity with instructions provided by Superior Recreational Products using approved Superior Recreational Products parts. Superior Recreational Products will deliver the repaired or replacement part or parts to the site free of charge, but will not be responsible for labor or the labor costs of replacement. Warranty claims must be filed within the applicable warranty period and accompanied by a sales order or invoice number.*
